- II. Close down in Pakistan*

I. Emergency Simulation exercise

Ericsson Response participated in a simulation exercise together with UN organizations (OCHA, UNICEF, WFP), Telecom Sans Frontier, Norwegian Refugee Council, Swedish Rescue Services Agency and Telenor that was held during one week in Norway. The aim was to establish procedures and responsibilities for response in the three disaster response phases defined by the UN.

The exercise was regarding data communication, which UNICEF is responsible for, to relief organizations in the field. The intension is for the Ericsson Response Wider (WLAN In Disaster and Emergency Response) system to play a very important role in phase two and three.

II. Close down in Pakistan

After almost nine months the successful Ericsson Response support operation after the earthquake in Pakistan has now come to an end.
