

To the Board of Directors of Telefonaktiebolaget LM Ericsson

## **The Nomination Committee's proposals to the Annual General Meeting 2026, including explanations**

The Nomination Committee of Telefonaktiebolaget LM Ericsson presents the following proposals and information to the Annual General Meeting of shareholders 2026.

### **1. Description of the Nomination Committee's work before the Annual General Meeting 2026**

The composition of the Nomination Committee was made public by Ericsson on April 30, 2025.

The Nomination Committee consists of the following members:

- Johan Forssell (appointed by Investor AB), the Chair of the Nomination Committee
- Helena Stjernholm (appointed by AB Industrivärden)
- Anders Oscarsson (appointed by AMF Tjänstepension and AMF Fonder)
- Christer Gardell (appointed by Cevian Capital)
- Jan Carlson, the Chair of the Board of Directors

The Nomination Committee has over the course of the year carried out its duties under the Swedish Corporate Governance Code (the "Code") and as set out in the Instruction for the Nomination Committee (as resolved by the Annual General Meeting 2012).

As of February 23, 2026, the Nomination Committee has held five meetings since the appointment of the current Nomination Committee.

To ensure a thorough ongoing understanding of Ericsson's business and strategy, the Chair of the Board of Directors presented to the Nomination Committee his views on the position and strategy of the Ericsson Group. The Committee also met with Ericsson's President and CEO Börje Ekholm who presented his views on the Company's position and strategy. The Committee has analyzed the competency needs in the Board of Directors and has been informed of the results of the evaluation of the Board work and procedures led by the Chair of the Board of Directors. On the basis of the foregoing, and in compliance with applicable laws, the Nomination Committee seeks to identify the most qualified candidates, assessing the competence and experience required by Ericsson Board members as well as the importance of the Board of Directors' composition in terms of a diversity of perspectives and experiences that will drive innovation and sound decision-making to the Board. The Nomination Committee has applied section 4.1 of the Code as its diversity policy.

The Nomination Committee met with the Chair of the Audit and Compliance Committee to review the assessments made by the Company and the Audit and Compliance Committee of the quality and efficiency of external auditor work. The Audit and Compliance Committee also provided its recommendation that Deloitte AB be re-elected external auditor.

## 2. The Nomination Committee's proposals and explanations

### **Chair of the Annual General Meeting**

The Nomination Committee proposes that Advokat Eva Hägg be elected Chair of the Annual General Meeting of shareholders 2026.

### **Number of Board members and deputies to be elected by the Annual General Meeting**

According to the articles of association, the Board of Directors shall consist of no less than five and no more than twelve Board members, with no more than six deputies. The Nomination Committee proposes that the number of Board members elected by the Annual General Meeting shall be eleven (*unchanged*) and that no deputies be elected.

### **Fees payable to members of the Board of Directors elected by the Annual General Meeting and to members of the Committees of the Board of Directors elected by the Annual General Meeting**

The Nomination Committee proposes that fees to non-employee Board members elected by the Annual General Meeting and non-employee members of the Committees of the Board of Directors elected by the Annual General Meeting be paid as follows:

- SEK 5,200,000 to the Chair of the Board of Directors (*previously SEK 5,000,000*);
- SEK 1,400,000 to each of the other Board members (*previously SEK 1,300,000*);
- SEK 600,000 to the Chair of the Audit and Compliance Committee (*previously SEK 560,000*);
- SEK 335,000 to each of the other members of the Audit and Compliance Committee (*previously SEK 320,000*);
- SEK 250,000 to the Chair of the Enterprise Business and Technology Committee (*previously SEK 235,000*);
- SEK 205,000 to each of the other members of the Enterprise Business and Technology Committee (*unchanged*);
- SEK 240,000 to each Chair of the Finance and the Remuneration Committee (*previously SEK 225,000*); and
- SEK 200,000 to each of the other members of the Finance and the Remuneration Committee (*unchanged*).

The Nomination Committee has considered the Board fees with the objective of ensuring that they allow for the recruitment and retention of high-quality individuals while also being appropriate in comparison to other technology companies operating globally and with similar size and complexity. As such, the Nomination Committee has concluded that an increase in accordance with the above is reasonable, well-justified and in the best interests of the Company. The proposal of the Nomination Committee provides for an increase of the fees of approximately 6.1% compared with the total fees to the corresponding number of Board and Committee members for Board and Committee work resolved by the Annual General Meeting 2025.

In addition to the fees described above, the Nomination Committee proposes unchanged compensation be paid to non-employee Board members elected by the Annual General Meeting for each physical Board meeting attended in Sweden as follows:

<u>Residence of Board member</u>	<u>Compensation per meeting</u>
Nordic Countries	None
Europe (non-Nordic)	EUR 2,000
Outside of Europe	USD 5,000

### **Fees in the form of synthetic shares**

#### Background

The Nomination Committee believes that it is appropriate that Board members elected by the shareholders hold shares in Ericsson, in order to strengthen the Board members' and the shareholders' mutual interests in the Company. The Nomination Committee recommends that Board members elected by the shareholders, over a five-year period, build a holding of shares or synthetic shares in Ericsson equal to at least the value of 1.5 times the annual fee (excluding fees for Committee work and meeting fees), and that such holding be kept during the time the Board member remain Board member in Ericsson.

To enable Board members to create an economic interest in the Company and considering that it is in many cases difficult for Board members to trade in the Company's share due to applicable insider rules, the Nomination Committee proposes that the Board members should, as previously, be offered the option of receiving part of the Board fees in the form of synthetic shares. A synthetic share constitutes a right to receive payment of an amount which corresponds to the market value of a share of series B in the Company on Nasdaq Stockholm at the time of payment.

#### Proposal

The Nomination Committee therefore proposes that the Annual General Meeting of shareholders 2026 resolve that part of the fees to the Directors, in respect of their Board assignment (however, not in respect of Committee work and meeting fees), may be paid in the form of synthetic shares, on the following terms and conditions.

- A nominated Director shall be able to choose to receive the fee in respect of his or her Board assignment, according to the following four alternatives:
  - (i) 25 percent in cash – 75 percent in synthetic shares
  - (ii) 50 percent in cash – 50 percent in synthetic shares
  - (iii) 75 percent in cash – 25 percent in synthetic shares
  - (iv) 100 percent in cash.

- The number of synthetic shares to be allocated shall be valued at the average of the market price of shares of series B in the Company on Nasdaq Stockholm during a period of five trading days immediately following the publication of Ericsson's interim report for the first quarter of 2026. The synthetic shares are vested during the term of office, with 25 percent per quarter of the year.
- The synthetic shares give a right to, following the publication of Ericsson's year-end financial statement in 2031, receive payment of a cash amount per synthetic share corresponding to the market price of shares of series B in the Company in close connection with the time of payment.
- An amount corresponding to the dividend in respect of shares of series B in the Company, where the record date for dividend occurs during the holding period, shall be disbursed at the same time as the cash amount.
- Should the Director's assignment to the Board of Directors come to an end no later than during the third calendar year after the year in which the Annual General Meeting resolved on allocation of the synthetic shares, payment may take place in the year after the assignment came to an end.
- The number of synthetic shares may be subject to recalculation in the event of bonus issues, splits, rights issues and similar measures, under the terms and conditions for the synthetic shares.

The complete terms and conditions for the synthetic shares are described in **Exhibit 1**.

The financial difference for the Company, should all Directors receive part of their fees in the form of synthetic shares compared with the fees being paid in cash only, is assessed to be limited.

### **Information regarding proposed Board members**

Information regarding the proposed Board members is presented in [Exhibit 2](#).

### **Considerations**

The Nomination Committee primarily searches for potential Board member candidates for the upcoming mandate period but also considers longer term future competence needs. It is a long journey to identify the right candidates and long-term planning is essential. In assessing the appropriate composition of the Board of Directors, the Nomination Committee seeks to identify, in compliance with applicable laws, the most qualified candidates and considers, among other things, the experience and competence needed on the Board and its Committees, the value of a diversity of perspectives and experiences that will drive innovation and sound decision-making to the Board, as well as the need for periodic renewal. The Nomination Committee believes that selecting the most qualified candidates for the Board in this way will support Ericsson's sustainable development. The Nomination Committee has applied the Swedish Corporate Governance Code, Section 4.1, as its diversity policy. The Nomination Committee assesses the appropriateness of the number of Board members. The Committee also takes into account other commitments Board members may have in order to ensure that each Board member is able to devote the time required to fulfill their Board duties.

In its appraisal of qualifications and performance of the individual Board members, the Nomination Committee takes into account the competence and experience of each individual member along with the individual member's contribution to the Board work as a whole and to the Committee work. The Committee has familiarized itself with the results of the Board work evaluation that was led by the Chair of the Board of Directors. The Nomination Committee's objective is to propose and support the election of a Board that is comprised of individuals of the highest competency and integrity, while also holistically comprising a strong mix of needed skills and experience to effectively oversee and lead Ericsson.

The Nomination Committee is of the opinion that the current Board of Directors and Board work is well functioning. Further, it is the Nomination Committee's view that the Board fulfills high expectations in terms of composition and that the Board of Directors as well as the individual Board members fulfill high expectations in their relevant areas of expertise. Competencies and experiences represented on the Board include broad international industry experience, experience from the telecom, IT and ICT sectors, technological and technical competencies and experiences (e.g. related to software, digitalization, cybersecurity and AI),

financial expertise and experience from private equity, M&A and new business. In assessing the overall composition of the Board, the Nomination Committee considers director competencies and experiences within the ESG areas (including environmental, social and corporate governance areas) and is of the view that these are well represented on the Board.

The Nomination Committee does not propose any changes to the composition of the Board of Directors this year due to this year's focus on stability and continuity. Out of the proposed Board members to be elected by the AGM (excluding the President and CEO), three are women and seven are men. The Committee believes that the proposed Board composition provides the Company with the right conditions for realizing its long-term potential.

### **Independence of Board members**

The Nomination Committee has made the following assessments in terms of applicable Swedish independence requirements and US NASDAQ independence requirements:

- (i) The Nomination Committee considers that the following Board members are independent of the Company and its senior management:
  - a. Jon Fredrik Baksaas
  - b. Jan Carlson

  - e. Marachel Knight
  - f. Kristin S. Rinne
  - g. Jonas Synnergren
  - h. Jacob Wallenberg

  - c. Börje Ekholm
  - d. Eric A. Elzvik
  - e. Marachel Knight
  - f. Kristin S. Rinne

- a. Jon Fredrik Baksas
- b. Jan Carlson
- c. Eric A. Elzvik

The Nomination Committee concludes that the proposed composition of the Board of Directors meets the independence requirements applicable to Ericsson.
