The data presented is a collation of financial estimates from third parties provided by Infront, an independent consensus service, as at the date above. Ericsson has not undertaken to independently verify such third-party data and does not intend to do so. Ericsson does not warrant or represent the accuracy, completeness or validity of this information, nor the figures or calculations arising from this information. It should be noted that forecasts are, by definition, forward-looking and are therefore subject to risks and uncertainties that may materially affect eventual results.

Nothing in this data should be taken as a recommendation to buy or sell Ericsson shares, securities, or other financial instruments or to take any other action or place any reliance on the data. Neither Ericsson nor any of its subsidiary undertakings nor any director, officer or employee of Ericsson shall liable in any way for any loss or damage arising from reliance on, or use of, information available on this page and/or the associated calculations, nor for any errors or omissions in its content.

Although Ericsson will endeavour to procure that the information is kept updated, Ericsson expressly disclaims a duty to provide updates to such information, and the estimates and assumptions associated with them, after the date above, except as required by applicable law or stock exchange regulations.
