In your mind when working in the system:

- **Never** use the **back**-button in **Explorer** if you want to go back to the previous page in the system. Use the EB system previous-buttons instead.
- The Ericsson Buyer system is mixing the terms **Vendor** and **Supplier**. At Ericsson we call them Supplier.

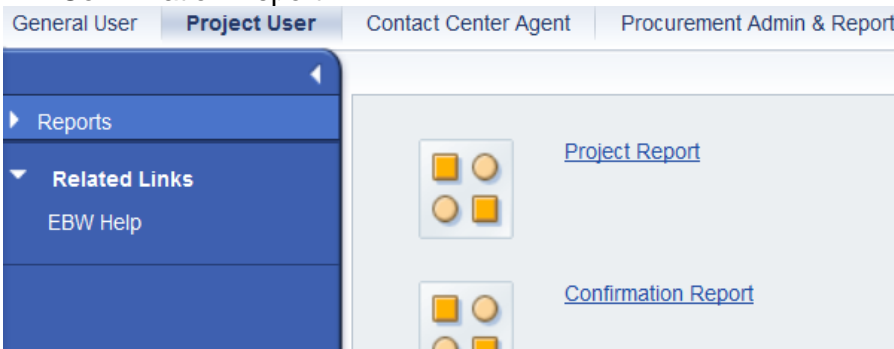

The Confirmation Report updated with ASP Confirmation reference field

In the Confirmation Report the confirmation reference field has been added to the BW report for both internal and ASP supplier user.

This field has been added into the Confirmation Report
