YOUR STATUS

» I am one author signing on behalf of all co-authors of the manuscript

DATA PROTECTION & PRIVACY

» I do not wish to receive news, promotions and special offers about products and services from Elsevier B.V. and its affiliated comp

LICENSE OF PUBLISHING RIGHTS

I hereby grant to Elsevier B.V. (hereinafter the "Journal") an exclusive publishing and distribution license in the manuscript identified above and any tables, illustrations or other information submitted for publication as part of the manuscript (the "Article") in all forms and media (whether now known or hereafter developed), throughout the world, in all languages, for the full term of copyright, effective when the Article is accepted for publication. This license includes the right to enforce the rights granted by this license against third parties and to sublicense such rights.

SUPPLEMENTAL MATERIALS

With respect to Supplemental Materials that I wish to make accessible either through a link in the Article or on a site or through a service of Elsevier B.V. , Elsevier B.V. shall be entitled to publish, post, reformat, index, archive, make available and link to such Supplemental Materials on a non-exclusive basis, in all forms and media (whether now known or later developed) and permit others to do so. "Supplemental Materials" shall mean additional materials that are not an intrinsic part of the Article, including but not limited to experimental data, e-components, encodings and software, and enhanced graphical, illustrative, video and audio material.

SCHOLARLY COMMUNICATION RIGHTS

I understand that I retain the copyright in the Article and that no rights in patents, trademarks or other intellectual property rights are transferred to the Journal. As the author of the Article, I understand that I shall have: (i) the same rights to reuse the Article as those allowed to third party users of the Article under the CC BY-NC-ND License, as well as (ii) the right to use the Article in a subsequent compilation of my works or to extend the Article to book length form, to include the Article in a thesis or dissertation, or otherwise to use or re-use portions or excerpts in other works, for both commercial and non-commercial purposes. Except for such uses, I understand that the license of publishing rights I have granted to the Journal gives the Journal the exclusive right to make or sublicense commercial use.

USER RIGHTS

The publisher will apply the *Creative Commons Attribution-Noncommercial-NoDerivative Works 4.0 International License* (CC BY-NC-ND) to the Article where it publishes the Article in the journal on its online platforms on an Open Access basis. For further information, see <http://www.elsevier.com/about/open-access/open-access-options>.

The CC BY-NC-ND license allows users to copy and distribute the Article, provided this is not done for commercial purposes and further does not permit distribution of the Article if it is changed or edited in any way, and provided the user gives appropriate credit (with a link to the formal publication through the relevant DOI), provides a link to the license, and that the licensor is not represented as endorsing the use made of the work. The full details of the license are available at <http://creativecommons.org/licenses/by-nc-nd/4.0>.

REVERSION OF RIGHTS

Articles may sometimes be accepted for publication but later rejected in the publication process, even in some cases after public posting in "Articles in Press" form, in which event all rights will revert to the author. See <http://www.elsevier.com/locate/withdrawalpolicy>.

REVISIONS AND ADDENDA

I understand that no revisions, additional terms or addenda to this License Agreement can be accepted without the Journal's express written consent. I understand that this License Agreement supersedes any previous agreements I have entered into with the Journal in relation to the Article from the date hereof.

COPYRIGHT NOTICE

The publisher shall publish and distribute the Article with the appropriate copyright notice.

AUTHOR REPRESENTATIONS / ETHICS AND DISCLOSURE

I affirm the Author Representations noted below, and confirm that I have reviewed and complied with the relevant Instructions to Authors, Ethics in Publishing policy, and Conflicts of Interest disclosure. Please note that some journals may require that all co-authors sign and submit Conflicts of Interest disclosure forms. I am also aware of the publisher's policies with respect to retractions and withdrawal (<http://www.elsevier.com/locate/withdrawalpolicy>).

For further information see the publishing ethics page at <http://www.elsevier.com/publishingethics> and the journal home page.

Author representations

- » The Article I have submitted to the journal for review is original, has been written by the stated authors and has not been published elsewhere.
- » The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- » The Article and the Supplemental Materials contain no libellous or other unlawful statements and do not contain any materials that infringe the intellectual property or proprietary rights of any other person or entity.
- » I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have created the Article or the Supplemental Materials.
- » Except as expressly set out in this License Agreement, the Article is not subject to any prior rights or licenses, and if my or any of my institution has any policy that might restrict my ability to grant exclusive rights under this License Agreement, a written waiver of such restriction has been obtained.
- » If I am using any personal details or images of patients or research subjects, I have obtained written permission or consent from the applicable, the next of kin). See <http://www.elsevier.com/patientphotographs> for further information.
- » Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- » If the Article or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the License Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

For information on the publisher's access policies, please see <http://www.elsevier.com/access>.

I have read and agree to the terms of the License Agreement.
